VET FEE-HELP assists eligible students undertaking certain VET diploma level and above courses. It allows students to borrow funds up to their FEE-HELP limit to help pay for all or part of their VET tuition fees. Students who access VET FEE-HELP assistance will have a loan with the Australian Government who will, on the student’s behalf, pay their VET tuition fees to their approved VET provider. Canberra Beauty Academy operates a student-run clinic on a ‘not for profit’ basis. The clinic is designed to enable students to gain valuable work experience treating clients in a professional salon environment. The clinic is open to the public and provides traditional salon services on a ‘not for profit’ basis.

This allows you to gain real work experience whilst being guided and supervised by a CMA educator. There’s no better way to develop your confidence and reinforce your newfound skills.

The beauty academy trains with specialised, up-to-date equipment and quality skin care products. Our facility includes comprehensive treatment areas, makeup workshop, massage stations and a fully equipped IT room.

Students have access to CMA’s online learning management system, providing access to assessment tasks, additional learning resources, demonstration videos, practical notes and procedures, online quizzes, forum discussion and ongoing trainer support. A selection of relevant books is available to all participants for research and reference.

An appointment for a personal interview may be arranged with the Academy’s manager. During this interview we will discuss the course content in detail and answer any questions you may have. As placements are limited, your suitability may also be assessed. You may enrol by paying a $500 deposit to secure your placement. You can enrol online at: cmatraining.edu.au.

Previous work experience or training courses may enable us to deem you competent in certain areas which will allow exemption from some modules. This process is referred to as ‘Recognition of Prior Learning’ (RPL). As a Registered Training Organisation, delivering nationally recognised training, CMA can assist you with this process. Please feel free to download an RPL application form from our website. Application for RPL must occur prior to course commencement.
